

Custom plush mascots in series — since 1998

Stofftiere Lindner designs and manufactures custom mascots and plush toys for companies, brands and institutions. Design and project management are based in Austria; production takes place in our own factory in China, with no intermediaries. Since 1998 we have made more than 2 million mascots for over 3,000 clients.

From design to series production

- **Design:** The figure is developed to your brief, in your brand colours.
- **Free prototype:** The sample is made in our own factory and sent to you for approval.
- **Production after approval:** Series production starts only once you have approved the sample. From 1,000 units per design.
- **Inspection and shipping:** Final inspection of every single unit. On request, photos from production and a control sample before shipping.

Tested to EN 71, inspected unit by unit

- CE marked and EN 71 compliant
- Test report by ACT Testing Technology Co., Ltd. (Guangzhou): EN 71-1, -2, -3 and -9 and DIN 53160-1 and -2 passed. The full report is available on request.
- Final inspection of every single unit
- Production against an approved reference sample and tolerances in millimetres
- Photos from ongoing production and a control sample before shipping

A selection from more than 3,000 projects

- **Youth Olympic Games:** official mascots for Innsbruck 2012, Lillehammer 2016 and Lausanne 2020
- **Edelweiss Air:** 50,000 marmots in three batches
- **MILKA:** over ten years, twice a year 70,000 to 120,000 units
- **FIS Alpine World Ski Championships 2013:** official mascot Hopsi, Schladming
